AN EXCITING NEW ADDITION TO THE  
SUDOKU WORD SEARCH FAMILY  
(A LITTLE TASTER OVERLEAF)

SUDOKU FOR GARDEN LOVERS

PUZZLE CLUE

Start with the numbers Sudoku then use the table to complete the letters grid, OR be bold and play just using the letters. Then you get to complete the Word Search and that's where the outer "crust" of letters (they are not part of the Sudoku) come into play. There's also one 11-letter word we haven't given you, but look carefully and you may just find yourself!
